Career Objective: I am an aspiring AI/ML engineer and full-stack developer with a strong passion for leveraging advanced technologies to develop innovative and scalable solutions. I am committed to contributing to cutting-edge projects while continuously refining my technical expertise, problem-solving abilities, and software engineering skills.

Experience

Python Django Developer Intern − **Assistive Technologies**
- Developed and maintained Django-based web applications.
- Integrated SQL databases and RESTful APIs for seamless functionality.
- Worked on authentication modules and data security.

Full Stack Developer Intern − **WebMakers**
- Designed and developed responsive web applications using React.js and Django.
- Implemented UI/UX improvements, enhancing user engagement.
- Built and deployed a full-stack project integrating HTML, CSS, JavaScript, and MySQL.

Technical Skills

Programming Languages:	Python, Java, C, C++
Frontend Development:	HTML, CSS, JavaScript, React.js
Backend Development:	Django, PHP, SQL

Education

Bachelor of Technology - CSM
Siddartha Institute Of Engineering and Technology, Puttur **2023 - 2026**
CGPA: 8.5

Diploma in Computer Science and Engineering
Sri Venkateswara Government Polytechnic College, Tirupati **2020 - 2023**
CGPA: 8.8

Secondary School Certificate (SSC)
Zilla Parishad High School, Pachikapallam **2019 - 2020**
CGPA: 10

Academic Projects

BookMart - Full Stack Website
- Developed an online book marketplace using HTML, CSS, JavaScript, and PHP during my diploma final year.
- Implemented secure authentication, search filters, and a responsive UI.

Personal Portfolio Website
- Designed a modern, fully responsive personal website using React.js and Tailwind CSS.
- Showcased my skills, projects, and resume interactively.

Certifications

Python Basics	− HackerRank
Django with SQL and Databases	− IBM (edX)
HTML5 and CSS Fundamentals	− W3Cx (edX)
Programming in Java	− NPTEL
Introduction to AI	− Great Learning

Languages Known

- English
- Telugu
- Hindi

Hobbies

- Exploring New Technologies: Passionate about AI/ML, Web Development, and Cybersecurity.
- Playing Chess: Enhances strategic and analytical thinking.
- Playing Cricket: Improves teamwork and decision-making under pressure.
- Reading Books: Focused on self-improvement, technology, and innovation.

Extra-Curricular Activities

- Won Gold Medal from Tata Consultancy in Essay Writing on Emerging Technologies.
- Led a team as Captain in Cricket and Kabaddi Zonal Competitions, enhancing leadership skills.

Declaration: I hereby declare that all the above information is true and correct to the best of my knowledge. **Date:**
